

BEVISIONEERS

THE MERCEDES-BENZ FELLOWSHIP

Funded by Mercedes-Benz, beVisioneers is the **biggest global Fellowship** that equips young innovators with the **training, expert support and resources** to bring **planet-positive** ideas to life - regardless of their entrepreneurial experience or financial background!

What does the Fellowship look like?

A multi-year fellowship starting with a 12-month intensive hybrid-learning program that focuses on launching projects that tackle an environmental issue.

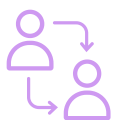

Beyond the 12-month intensive you will have special opportunities to grow your leadership, network and impact.

Who are we looking for?

- ✓ You live in any of the regions we operate in including Hong Kong, Japan, Singapore, South Korea & more!
- ✓ You are 16-28 years old at the time of application
- ✓ You are passionate about the planet and have a bold idea to address an environmental problem

Only a **24-hour per month** commitment – easy to fit into your existing work or university schedule!

1:1 mentoring and **venture coaching** to help your projects take shape and accelerate

Apply for **financial support** to enable participation in the Fellowship based on a needs assessment

Opportunities to **win grants** to grow your projects and make impact in your local communities

A hybrid learning experience, allowing you to meet with experts and other Fellows at **global events**

Travel, accommodation and expenses paid for, for key Fellowship program events

Sound like you or someone you know?

Applications close on January 12, 2025
